DUPLICATE RESPONSE TO FORMALITIES LETTER

Dear Madam or Sir;

The attached Formalities Letter, explanation letter; specification, claims, and abstract; and declaration are exact duplicates of the documents submitted by Express Mail on September 27, 2004 for Application No. 10/708,479.

I was instructed by Ms. McDowell in Customer Service today to resubmit these documents because your system failed and there are no usable images of the documents received on September 27, 2004 that were scanned into your system.

The filing of this application on March 5, 2004 was incomplete because the XPort.exe transformation of the XML file omitted the claims and abstract from the file that was submitted to USPTO electronically.

Sincerely,

Jerry A. Cook
